WHAT WE DO??

- We organize activities and support for Schools, Agencies, Associations and Institutions.
- We adapt our activities to the offer of host entities in Rimini and the needs of project participants.
- We offer logistic solutions in Italy - receiving guests, monitoring both participants and host entities during apprenticeships and organized holiday trips and stays.

WE PROVIDE:

- Accommodation at the Capri hotel.
- Dining at the Taverna degli Artisti restaurant.
- Assistance of a Polish speaking person.
- Transfer from and to the airport and transfers around Rimini.
- Implementation of the cultural program - San Marnio, Venice, Florence.
- Customized and certified courses and training.
- Attractive internship places.

Mr. Mario Pappano's Airimini company started cooperation with Poland in 2013. As a result, a real partnership was born, from the then mayor of Jarosław, Tadeusz Chrzan, to cooperation with the Food and Chemistry School Complex in Jarosław, which continues to this day.

For 25 years, the Pappano family has managed the most famous restaurant in Rimini. "Taverna degli Artisti" is a meeting place for artists from all over the world. It offers non-stereotypical, delicious cuisine. The Pappano family is a family of restaurateurs and hoteliers. The restaurant "Taverna degli Artisti" is entered in the Register of Historical Workshops of the Municipality of Rimini.

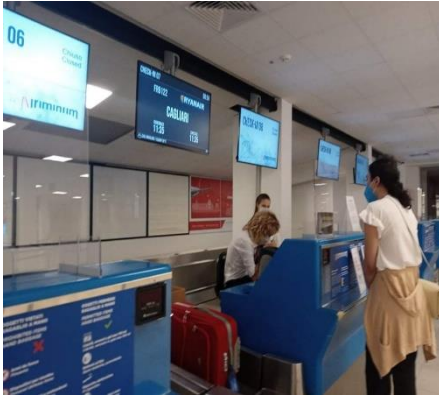

The "Taverna degli Artisti" restaurant received a special Bottega Storica badge, confirming the quality and high standard of the work of the Pappano family.

Mr. Mario Pappano is the owner of the newspaper "Il Cuore Biancorosso" Rimini News
